

Hello,

Accurate Environmental Training Center takes this pandemic situation very seriously and will be taking many extra precautions to protect the safety and health of our clients and staff.

For the foreseeable future, we will implement the following guidelines for all AETC classes:

1. Limiting class sizes in order to maintain social distancing.
2. Everyone in the building will be required to wear a mask. If a student shows up without a mask, we will provide one. If anyone refuses to comply with that request, they will not be able to attend the class and will have to leave.
3. We will be sanitizing the classrooms, bathrooms, and common areas at least twice per day.
4. Hand sanitizer will also be available to everyone.

Thank you for your cooperation and understanding.

Regards,
Jeff Clarke
Training Coordinator
Accurate Environmental Training Center
