

# Accurate Environmental Laboratory and Training Center

Accurate Environmental Labs and Training Center combines full service laboratories with operator certification training, engineering services, lab supply sales, and field services in order to provide you with the most comprehensive environmental services in the state. Accurate Labs is state certified through the Oklahoma Dept. of Environmental Quality and nationally certified through the National Environmental Laboratory Accreditation Program (NELAP).

## Homeowner Price List for Water Quality Check Panels

| HUD / FHA  | Lead, Nitrate, Coliform Bacteria   | \$75  |
|--|--|-------|
| Homeowner Quality Check Panel (city or rural water)                      | Copper, lead, Nitrate, Coliform Bacteria, Hardness   | \$128 |
| Homeowner Quality Check Panel (well water)                               | Iron, Chloride, Coliform Bacteria, Nitrate, Hardness, Total Dissolved Solids   | \$153 |
| Well Quality Check Panel (newly drilled wells or more complete analysis) | Alkalinity, Coliform Bacteria, Chloride, Fluoride, Nitrate, pH, Sulfate, Turbidity, Total Dissolved Solids (TDS), Calcium, Iron, Magnesium, Manganese, Potassium, Sodium | \$378 |

### Fees For Individual Tests

|                               |      |                        |      |
|-------------------------------|------|------------------------|------|
| Alkalinity                    | \$25 | Lead                   | \$25 |
| Calcium                       | \$25 | Magnesium              | \$25 |
| Chloride                      | \$25 | Nitrate                | \$25 |
| Coliform Bacteria (P/A)       | \$28 | Nitrite                | \$25 |
| Bacteria Enum. (Fecal Colif.) | \$75 | pH                     | \$25 |
| Copper                        | \$25 | Sodium                 | \$25 |
| Hardness                      | \$25 | Sulfate                | \$25 |
| Iron                          | \$25 | Total Dissolved Solids | \$25 |

\*Prices are for client-delivered samples. Accurate can pick up your samples along our weekly field service routes for additional \$10 per pickup. Accurate can also provide sampling services to you for a \$99/hr field service charge (1-hour minimum).

### Rush Order Fees

|          |              |
|----------|--------------|
| Same Day | 300% + price |
| Next Day | 200% + price |
| 2 Days   | 100% + price |
| 3 Days   | 75% + price  |
| 4 Days   | 50% + price  |
| 5 Days   | 25% + price  |

## Production Well Drilling Analysis

|                |   |              |
|----------------|---|--------------|
| <b>Level 1</b> | <b>Barium, Sulfate, Sodium, Chloride</b>  | <b>\$100</b> |
| <b>Level 2</b> | <b>Barium, Sulfate, Sodium, Chloride, BTEX (Benzene, Ethylbenzene, Toluene, Xylene) /TPH (DRO, GRO)</b>   | <b>\$260</b> |
| <b>Level 3</b> | <b>Barium, Sulfate, Sodium, Chloride, BTEX (Benzene, Ethylbenzene, Toluene, Xylene) /TPH (DRO, GRO), Bromide, Calcium, Conductivity, Hardness, Iron, Magnesium, Manganese, pH, Potassium, Strontium, Alkalinity, Total Dissolved Solids, Total Suspended Solids, Methane, Ethane &amp; Ethene</b> | <b>\$770</b> |

### Fees For Individual Tests

|  |       |   |       |
|--|-------|---|-------|
| <b>Barium</b>  | \$25  | <b>Hardness</b>   | \$25  |
| <b>Sulfate</b>   | \$25  | <b>Iron</b>   | \$25  |
| <b>Chloride</b>  | \$25  | <b>Magnesium</b>  | \$25  |
| <b>Sodium</b>  | \$25  | <b>Manganese</b>  | \$25  |
| <b>BTEX (Benzene, Ethylbenzene, Toluene, Xylene) /TPH (DRO, GRO)</b> | \$160 | <b>Methane, Ethane &amp; Ethene</b>                               | \$175 |
| <b>Bromide</b>   | \$35  | <b>Potassium</b>  | \$25  |
| <b>Calcium</b>   | \$25  | <b>Strontium</b>  | \$25  |
| <b>Conductivity</b>  | \$25  | <b>Alkalinity</b>   | \$25  |
| <b>Total Dissolved Solids</b>  | \$25  | <b>pH</b>   | \$25  |
| <b>Total Suspended Solids</b>  | \$25  | <b>Radiologicals</b> (Gross Alph, Beta, Radium 226, 228, Uranium) | \$325 |

### Rush Order Fees

|                 |              |
|-----------------|--------------|
| <b>Same Day</b> | 300% + price |
| <b>Next Day</b> | 200% + price |
| <b>2 Days</b>   | 100% + price |
| <b>3 Days</b>   | 75% + price  |
| <b>4 Days</b>   | 50% + price  |
| <b>5 Days</b>   | 25% + price  |
