Accurate Lab Supplies

Over 25 years ago, Accurate Labs saw an opportunity to further serve the municipal water and wastewater systems who frequently utilized our laboratory testing. **Accurate Laboratory Supplies (ALS)** was started to provide laboratory supplies and equipment to these systems in a way **that maximizes value and efficiency**. Because Accurate Laboratory Supplies orders supplies in bulk, we can offer competitive prices—sometimes **even better than buying direct from the manufacturer!**

There is **no minimum purchase** required to order from **Accurate Laboratory Supplies**, so whether you are purchasing a single instrument or fabricating an entirely new laboratory, **ALS** has what you need. From **making recommendations**, to **assisting in laboratory setup**, to **training operators** to use the equipment, our highly experienced staff can **offer guidance every step of the way**.

Benefits of ordering from Accurate Laboratory Supplies:

- Superior quality products and service at competitive prices
- Technical and training support through Accurate Labs & Training Center
- Free delivery on routes, or convenient vendor direct shipping
- Simplified purchasing – one call for all your laboratory needs
- Knowledgeable staff ready to offer any assistance you may need

All your laboratory needs, from service to supplies, **are just one phone call away**. For more information about **Accurate Laboratory Supplies**, or to get a quote, contact **Ron Fazel** or **Matt Miller** at **(800) 516-5227** or email Ron.Fazel@accuratelabs.com or Matt.Miller@accuratelabs.com .
