YOUR LICENSE EXPIRES ON JUNE 30TH!

Have You Scheduled Your Renewal Training?

Keeping your ODEQ license current is essential for water and wastewater professionals, and **Accurate Training Center (ATC)** has been making the renewal process **convenient and valuable** to operators **since 1998**. All ODEQ operator and laboratory technician **licenses expire on June 30th**, and renewal training must be completed before July 1 to maintain certification. **ATC** offers DEQ renewal **classes every Tuesday and Thursday** throughout June, making it easy for operators to fit training into their schedules. Both **morning and afternoon** sessions are available, allowing participants to earn **up to 8 hours of training credit per day**.

The courses cover **practical, real-world topics** that help operators improve daily performance and **stay compliant** with industry regulations. Training includes report preparation, disinfection methods, process troubleshooting, operator math, sampling, laboratory procedures, and more. With **experienced instructors** and flexible scheduling, **ATC** provides Oklahoma operators with reliable, high-quality education to successfully complete their ODEQ renewal requirements.

For more information about operator and laboratory renewal or certification training services, please contact **Jeff Clarke** at **(800) 516-5227 ext 144** or email **Jeff@accuratelabs.com**.
