## HURRY!!! Your ODEQ License Expires on June 30<sup>th</sup>!

If you haven't already done it, don't forget to schedule your ODEQ license renewal training with Accurate Environmental Training Center today. Classes are filling quickly, so don't wait! All ODEQ operator and laboratory licenses expire on June 30<sup>th</sup>. Each operator or lab tech will need to get the required amount of refresher training before July 1<sup>st</sup> in order to keep their licenses current. This year, ODEQ increased the annual training requirements for C, B, and A level certifications. Call today if you need help determining how many renewal hours you are going to need.

This year, **Accurate Training Center** is offering **4-hour morning refreshers and 4-hour afternoon refreshers every Tuesday and Thursday** throughout the month of June. **Four different classes in Tulsa and two in Stillwater** will provide operators and lab techs with a convenient way to get anywhere from the **4 hours required for "D"** operators, all the way **up to 16 hours for those with "A"** licenses. The class schedule to the right lists all the AETC renewal classes that are still available.

If you have any questions about the classes, would like to register for training, or if you have questions about the enrollment or renewal process contact **Jeff Clarke** at **Accurate Environmental Training Center** at **(800) 516-5227 ext 144** or email **Jeff@accuratelabs.com**.
